Sir,

Pursuant to the Duty to Disclose imposed by Rule 1.56, Applicant hereby submits copies of the documents cited as references in the original application. These documents were not submitted with the original Application because they are publicly available and therefore it would have been an undue burden to provide paper copies of the documents that are downloadable readily. Nevertheless, in light of the statement in the Office Action that these references were not examined, Applicant hereby submits paper copies of the documents for the Examiner's review and consideration. The IDS filed on May 22, 2001 is also enclosed for the Examiner's ready reference. No fee is believed to be due with this response. If, however, a fee is deemed necessary, Applicant requests a phone call or other notice in order to comply.

Respectfully Submitted,
